**Curriculum Vitae**

---

**Name:** Ir. Wong Chee Swee

**List of Research:**

**Internal Grant**

1. Production of Hydrothermal Biochar for Environmental Remediation. (2/2020/06)
2. Production of Low Cost Bio-Adsorbent via single step Microwave steam activation technique for COD Removal of Landfill Leachate. (4/2018/12)
3. Production of BioChar from Oil Palm Waste through Vacuum Carbonizer for Mushroom Cultivation.(4/2018/19)
4. Investigation of Modified Ultrasonic Cavitation for Treatment of Palm Oil Mill Effluent Wastewater (4/2017/10)
