## Curriculum Vitae

---

**Name:** Wong Tee Hao

**List of Research:**

**Internal Grant**

1. A Comparison Study of Sound and Vibration Frequency from Different Woods Types of Sape Musical Instrument (4/2018/01)

**List of Publications:**

1. Wong, T. H., Ramli, R., Saifizul, A. and Soong, M. F. (2021). A Review of Automatic Musical Instrument Classification Based on Sound Recognition System. *Canadian Acoustics*. (Accepted - Indexed by ISI)
2. Kenyang, A. A. A., & Wong, T. H. (2019). FIS Students' Performance in Mathematics: Comparison Between SPM Additional Mathematics and First Semester Exam. *e-Bangi*, 16(3).
3. Wong, T. H., & Dayou, J. (2019). Effects Of Plucking Force to Fundamental Frequency of Sound and Body Vibration of Sape. *e-Bangi*, 16(3).
4. Wong, T. H., Chang, J. H. W., Che, F. P., & Dayou, J. (2017). Effects of String Tension to Fundamental Frequency of Sound and Body Vibration of Sape. *Transactions on Science and Technology*, 4(4), 437-441.

**List of Awards:**

1. Bronze medal. Fretting effects to the sound frequency production of sape. Innovation and technology expo 2019, 24-25 July 2019, imperial hotel Kuching., (Universiti Malaysia Sarawak) – 2019
2. Best paper presenter. Fretting effects to the sound frequency production of sape. International conference on science & technology research (Eurasia Research) – 2019
